

Comune di Lecco

SUMMER IN LECCO 2020

THE MAYOR

Comune di Lecco

This summer will be different than we expected, for sure. There were many events and shows already planned since the beginning of the year, but the current health emergency made us change our summer programs. Our goal is to combine entertainment, leisure and culture with the protection of public health.

However, we will be able to offer everyone a full program with music, movies, theatre, exhibitions to enjoy this summer season. There are many and different initiatives, such as the following shows: *Symphonic Music*, *Lecco Jazz Festival*, *Festival Suoni Mobili*, *Lake and Mountain Festival*, *Fantasmagorie "Festival del cinema d'animazione"*, *"Altri percorsi e altri piccoli percorsi"*, *Terre Insubri Festival*.

Moreover, this year there will be an exceptional event: *Profili di Donne* (Profiles of Women) Film Festival, which will point out the female leading role in our society and also in the world of cinema.

Special openings of the Museum centres of Villa Manzoni and Palazzo Belgiojoso, the *Musei d'estate* (Summer museums) exhibitions at Palazzo delle Paure and Torre Viscontea (Visconti Tower), Osservatorio Alpinistico Lecchese (Lecco Alpine Observatory) and other initiatives promoted by Lecco's Planetarium are not to be missed.

Furthermore, also this year we will propose *Cinema in square* and the *Notte Bianca* (in collaboration with LMT), "Ad alta quota" Festival "Con la testa all'insù" ("With the head up"), readings for children *Il Cortile dei Libri* (The courtyard of books) and the Panoramic Ferris Wheel, an opportunity to enjoy the natural beauty of our lake and the mountains.

A sincere thanks to associations, public and private organizations and sponsors, who collaborated in the organization of this new program. Hoping you all, citizens and tourists, will enjoy these initiatives; I appeal to your conscience and sense of responsibility so that each event can take place in the best possible way and in maximum safety.

Good summer everyone!

Virginio Brivio, Mayor of Lecco
