Lecco has embarked on a path to become a "Friendly City of Children and Adolescents".

This year, on the occasion of the International Day of the Rights of the Child and Adolescent, the Municipality of Lecco wishes to collect the registrations of all minors born in Italy and residing in Lecco, who **are not in possession of Italian citizenship**, for the delivery of Civic Citizenship.

The recognition of civic citizenship is a symbolic act of the Municipality of Lecco which does not correspond to that of Italian citizenship.

This is a form of recognition that testifies, however, the willingness of the Municipality of Lecco to recognize the minor as an integral part of our community.

Civic citizenship will lapse when the minor receives Italian citizenship.

To receive the certificate of civic citizenship for their children, parents must submit an application to the Mayor of Lecco by **monday 10th of November**, by filling in the specific form attached to this letter.

The application signed by the parents (together with the photocopy of the identity document of the parents and the minor) can be presented:

- at the front-office counter no. 2 (town hall courtyard in piazza Diaz, 1) - open from Monday to Friday from 9 to 12.30 (tel. 0341 481.470 - 397)
- or by e-mail to: partecipa@comune.lecco.it
